

Storywalk® Expands

USCL is excited to announce that we will be adding another Storywalk® for our community to enjoy. Through a generous grant from the Community Foundation, you and your family will now be able to read a book page by page as you stroll along the path at our new Storywalk at

Stepping Stones Park! Everyone is invited to join Miss Jill for a special ribbon cutting and celebration on Monday June, 3rd at 2:00 at Stepping Stones Park.

So what books can you discover this month at our Storywalk locations?

At our Storywalk® at Stepping Stones, you'll be reading the story of Bear, Moose and Beaver who

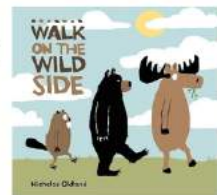

are the best of friends. They decide to go canoeing together one sunny day, but just can't seem to get along.

Ready for to read and solve a

mystery? Visit our Uptown Coded Storywalk® and be sure to write down the code letter located at each stop. When you finish the story, another fun

tale about Moose, Bear, and Beaver, you should have spelled out a special message that you can bring back to the library to receive a prize!

So Many Books!

Ezra Conklin, son of Gabby and Jake, has completed the 1,000 Books Before Kindergarten program at USCL.

Ezra, who is five-and-a-half years old and attends Steps Christian Preschool, completed the program on May 7, 2024. His favorite color is red and he loves to eat Nutella sandwiches, chicken nuggets, and peanut butter crackers. He enjoys playing Mario games on Nintendo and reading Elephant and Piggie books by Mo Willems.

Any child from birth until they enter kindergarten can participate in the 1,000 Books Before Kindergarten program. Each child will receive a log to record the books with incentives being given along the way. As you read to your children, they will form a link between books and what they love most—your voice and your closeness.
